Project Overview

Please describe your project, including what it is, where it takes place, and what the funds will support. (500–750 words)

Stewardship Narrative

Please reflect on how your work embodies long-term care—of land, systems, or relationships. (Up to 500 words)

Budget Summary

Provide a simple breakdown of how you would use the funds.

Please provide the amount of funding requested for the entirety or component parts of your proposed project.

Community Reference

Please upload or paste a short note (250 words or less) from someone familiar with your work. Formality not required. You may append a PDF or DOC to the end of this document.

Optional Demographics (internal use only)

- What part of Colorado do you primarily work in?
- If selected, are there opportunities for the Populus team to assist your work through volunteer time and co-published messaging?
- How would you describe your organization or group structure?
- (Optional) Are you part of a historically underrepresented group in conservation or land stewardship?
